WE GO VIRTUAL

EPHAR 2021 Congress will be organized virtually using Zoom platform (www.zoom.us)

- You will be able to join all virtual sessions through the congress website after logging in to the [USER_ZONE](#).
- Virtual sessions, abstract submission forms, and registration for the congress are accessible through the [USER_ZONE](#) using the same username and password.
- If you submitted an abstract, your login credentials remain the same.
- You will not receive any join links by e-mail.

Dear Colleagues,

We hope that you, your family, colleagues and friends are safe during these challenging times.

In view of the COVID-19 pandemic, the EPHAR Executive Committee have taken a difficult decision to switch to a totally **virtual congress**.

User zone

The User zone enables you to:

- Submit an abstract
- Register for the congress (i.e. to select and pay the registration fee)
- Book a hotel
- Book social events

Important notes

- Please **do not create multiple user accounts using different e-mail addresses**.
- If you have any queries or continue to have problems logging in, please contact the organising secretariat at abstracts.ephar2021@guarant.cz
- If you create multiple accounts, we cannot guarantee that complete information regarding your participation in the congress will be displayed properly in your User zone (in particular list of submitted abstracts, dates and times of your presentations). In addition, it will not be possible for us to link your payment of the registration fee to your abstract, which may result in withdrawal of your abstract from the programme and from the Book of Abstracts/Proceedings.

CLICK THE TITLE OF THE SESSION

The screenshot shows the website interface for the 8th European Virtual Congress of Pharmacology (EPHAR 2021). At the top, there is a banner with the congress title, dates (December 6-8, 2021), location (Prague, Czech Republic), and logos for EPHAR and Guarant. Below the banner is a navigation menu with options: 'User zone', 'Programme - Clickable table' (highlighted), 'Event programme - list', and 'Congress website'. The main content area displays the 'Programme - Clickable table' with a notice that the program is tentative and subject to change. A link for '< back' is visible. A session titled 'S27 Emerging drug targets' is highlighted with a blue circle, and a 'Join the live session' button is prominently displayed below it. The session details include the location (Virtual Hall 1), dates and times (7.12.2021 10:20:00 - 7.12.2021 11:50:00), the chair (Csaba Hetényi), and a description of the session. A 'Schedule List' button is located at the bottom right of the session details. Below this, a 'Tuesday' section lists three sessions with their respective times and topics.
